will be obtained from the Secretary on the grounds when the exhibits are brought in.

For each exhibit, except livestock, a ticket will be furnished the exhibitor specifying the class, the section, the number of entry and name of exhibitor, which must not be opened until after the awards are made and which must remain attached to the exhibit during the Exhibition.

Any exhibitor shall if required by the Board, make a statutory declaration that the entries made by him are made in accordance with the rules and regulations of the Association, and in case any exhibitor refuses to make such declaration, on being requested, all premiums awarded him shall be forfeited.

No person shall be allowed to enter for exhibition more than one specimen in any one section of a class, unless the additional articles be of a distinct named variety or pattern from the first. This rule does not apply to animals.

### **DELIVERY OF LIVE STOCK and ARTICLES AT GROUNDS**

All exhibits of live stock must be on the grounds and in positively not later than 10 o'clock a.m. on Monday, July 11th. Judging to start at 2 o'clock.

All animals must be submitted to a veterinary examination on entering the grounds, if required.

No animal having a contagious disease shall be allowed to occupy any stall or building on, or be admitted to the Exhibition grounds, and if any animal has been admitted through an oversight suffering from any such disease, the committee shall immediately order its removal from the grounds. All cattle entering the exhibition grounds for show, sale or other purposes, must have passed the Dominion Government Tuberculin test in compliance with restricted area regulations governing Portage la Prairie Municipality.

### **SPECIAL NOTICE**

As it is intended to have the Exhibition fully opened to the public at the time named, exhibitors are especially notified that articles or animals arriving after the above time will not be allowed to compete, unless proof is submitted of unavoidable train delays, when the management will have power to allow exhibits to come in, but this applies only to train shipments. Exhibitors of machinery and other heavy articles are requested to have them on the grounds and placed in position during the days preceeding the opening of the Exhibition. Entries close July 9th. No entries accepted during Fair days.

All boxes, wrappers and other packing material must be cleared away and everything put in proper order before 12 o'clock noon, Monday, July 11th.

Exhibitors must provide for the delivery of their articles upon the exhibition grounds. The Association will endeavor to arrange for drays, if requested, but will not be subject to any expense thereof either on delivery or return from the grounds. All expense connected therewith, including express and cartage charges must be prepaid.

Articles not accompanied by their owners may be addressed to the Secretary, who will receive them on their being de-

livered on the grounds, but in no case will such articles be brought on the grounds and placed on exhibition except by and at the expense of the owners or their authorized agents.

Exhibitors on arriving with their articles will apply at the office of the Secretary when they will be informed where the articles are to be placed.

Exhibitors will at all times give the necessary personal attention to whatever they have on exhibition, and at the close take entire charge of same.

Articles placed on exhibition must not be removed until the close, excepting fruit, vegetables and floral sections, where such removal is necessary for a continuous display.

Every facility will be afforded for the transaction of business by taking orders, but no delivery of articles sold can be made on the premises during the Exhibition except by special arrangement.

Though the Association will take reasonable precautions to ensure the safety of articles sent to the exhibition, they wish it to be distinctly understood that the owners themselves must take the risk of exhibiting them, and that should any article be accidentally destroyed, lost or stolen, the Association will give all the assistance in their power towards the recovery of same, but will not make any payment for the value thereof.

### **LIVE STOCK**

Entries in the pure bred classes must be recorded in the name of the exhibitor in the Canadian National Records for the breed; if not, animals must be registered in a stud, or herd book recognized as reliable by the Dominion Department of Agriculture.

All animals competing for prizes must be entered in the names of their bonafide owners, or their duly authorized agents (except where sire or get are shown.) Should doubt arise the directors may require affidavits of ownership from the exhibitor.

All stalls will be bedded on arrival of exhibits. Additional straw may be purchased at a reasonable rate.

All animals must be brought out for judging or parade purposes whenever required by the committee or their officials, and all prize winners must take part in the parade on each day of the Exhibition. Exhibitors or their employees not complying with this or any other rule, shall, if so decided by the committee of management forfeit all prizes awarded them, and the right to exhibit at future exhibitions of the Association. All exhibits sent by express, which must be prepaid, will be delivered on the grounds without extra charge.

Unnatural practices in fitting will not be tolerated, and all animals entered for competition shall be presented in the judging ring in their natural conformation and natural physical condition.

In cases where doubt exists in the mind of the judge or officials as to the breeding capability of an animal, the exhibitor thereof may be required to furnish evidence to the satisfaction of the officials concerned.

# **Farm Improvement Loans**

Under the Farm Improvement Loans Act a farmer may borrow on special terms to buy agricultural implements, livestock or a farm electric system, for fencing, draining, repairs to buildings or other farm improvements. This Bank is fully equipped to make loans to farmers under the provisions of this Act. Consult the Manager of our branch.

## **The Canadian Bank of Commerce**

**Portage la Prairie Branch, G. B. Key, Mgr.**

Any animal which is eligible to show in the individual classes shall be eligible to win a grand championship.

Stock exhibits will not be permitted to leave the grounds until nine o'clock p.m., Wednesday, July 13th. If for shipment or for any unforeseen cause, necessitating early removal of exhibits from the grounds, application for permission must be made at the Secretary's office and a written order must be secured to permit early release from the grounds of the Association.

### **PAYMENT OF PRIZES**

The directors reserve the right to limit the total prize list to an amount equal to the net receipts after payment of all expenses. In the event of the net receipts after payment of all expenses being insufficient to permit of the prize list being paid in full each prize will be reduced pro rata accordingly and all entries received are on this distinct understanding.

The Secretary will be prepared to commence mailing cheques for the premiums for all classes of exhibits twenty days after the Exhibition.

Parties who may have prizes "in kind" awarded to them are particularly requested to apply to the Secretary for them before leaving Portage la Prairie, or to leave a written order to some person to receive them, stating the articles for which prizes are claimed. Orders for such prizes will then be given. These orders must be endorsed, as they will be payable to order, not to bearer.

Orders for premiums "in kind" not applied for as above will be forwarded at risk of consignee, after the close of the Exhibition, to the address given on the entry form.

No more than one prize in any one section to one exhibitor, other than live stock.

### **JUDGES AND JUDGING**

Judges are particularly requested to adhere to the following rules:

Judges in the several departments will meet at the Secretary's office on the grounds presenting their circular of appointment at 10 o'clock Monday, July 11th.

All livestock will be judged beginning at 2 p.m. Monday, July 11th.

Judges will please sign and hand in their list of awards to the Secretary as soon as possible, making such recommendations as circumstances or their experience may suggest.

The judges are particularly requested not to leave the grounds until they have ascertained from the Secretary that there is no protest against the awards in the classes they have judged.

In the absence of competitions in any section, or if the exhibits be of inferior quality, the judges will award only such premiums as they think the articles deserving of. They will exercise their discretion as to whether they will award the first, second or any premium.

It does not follow that, because a prize is offered for any particular animal or article, it must be awarded, unless there is a proper competition, or unless the exhibit is of sufficient merit to warrant the award being made. The judges are particularly requested to note this fact.

In addition to the stated premiums offered for exhibits enumerated in this list, judges may also distinguish such as they consider deserving of notice, but which have not received prizes, by tickets with the words "Highly Recommended" upon them. These tickets will not entitle the holder to any money payment.

Judges in making their awards are to confine themselves strictly to the classes and sections in the prize list.

In the event of an animal or other exhibit being entered in the wrong class in the opinion of the Judges, the Director in charge may transfer said entry to the proper class, initial same and inform the Secretary.

Each award must be written in a plain, careful manner on a blank page opposite the numbers of entry with the name of exhibitor.

Exhibitors must ascertain from the directors in charge of the several departments at what hour judging will take place; therefore no complaints or appeals, based upon the statements that the judges have overlooked exhibits, will be considered by the Board.

Any exhibitor lodging a protest must make it in writing and it must be delivered to the Secretary or his assistant before the close of the Fair. It must state plainly the cause of complaint or appeal, and must be accompanied by a deposit of \$5 which sum will be forfeited to the Association if the said protest is not sustained.

No animal or article exhibited shall have about it any prize color or cards until the awards have been made in their respective classes.

No person shall be permitted in the horse and cattle rings during the time of judging, except the Judges and Assistants, Persons in Charge of the animals, Directors of the Association and Members of the Press. Directors are forbidden to wear Association badges when showing animals in the show ring.

All prize cards or ribbons which have been affixed by the judges must be displayed upon the animals in leaving the judging ring, during the Exhibition.

Any person who shall attempt to interfere with or influence the judges while in the discharge of their duties, or who shall, on the premises of the Association, use contemptuous or abusive language to a judge, in consequence of awards made by him, shall forfeit his right to all premiums which he otherwise might be entitled to, and shall be excluded from exhibiting for the next year. Judges are particularly requested to immediately report any breach of this rule.

Upon discovery of fraud, deception or dishonest practice, either in the preparation, ownership of or any representation concerning exhibits which may have affected or have been intended to affect the decision of the judges, the Board has the

Exhibitors must arrange their exhibits in as attractive a manner as possible, and fill the space allotted to them.

The Board reserves the right to prescribe the dimensions and regulate the position of all signs, and generally to direct the arrangement of articles on exhibition so far as the same may be necessary to secure harmony and an attractive appearance.

Exhibitors will not be allowed to distribute about the grounds or buildings hand bills or similar advertisements.
